

Icron USB 3-2-1 Raven™ 3204C and 3104 Series

The Raven Series is the world's only USB 3 extension solutions featuring ExtremeUSB-C™ technology capable of extending all USB 3.2, 2.0 and 1.1 devices simultaneously up to 100 meters from a host computer across a point-to-point CAT 6a/7 connection, or up to 200 meters over 10GBASE-T LAN or a Multimode Fiber connection.
